## ONLINE-TICKETING – THE EARLIER THE CHEAPER!

**Book your skipass online and save time and money. The sooner you book, the cheaper the ticket is.**

Our online pricing system is automated and dynamic. This means that the prices depend on various factors, such as the season, the number of orders, the day of the week and earlier data. In general, **the earlier you book, the higher the discount.** The discount decreases continuously depending on demand and timing - the closer

you get to your desired date or the more popular it is, the higher the price. Up to 5 days before the desired date, it is cheaper online, after that the cash desk price also applies online.

Tickets purchased online will not be cancelled or refunded. All customers are advised to obtain additional insurance when purchasing a multi-day pass. With the cancellation protection upgrade, unused ski passes are refunded **up to 5 days before the 1<sup>st</sup> ski pass day.**

Tickets can be collected from the pick-up machines (no deposit) or from the ski pass cash desks (with € 3,00 deposit).

DISCOUNTS	
Snowkids	born 2019 – 2022 € 2,00 per day
Children	born 2012 – 2018
Youth	born 2007 – 2011
Seniors 75+	born. 1952 + older child rates

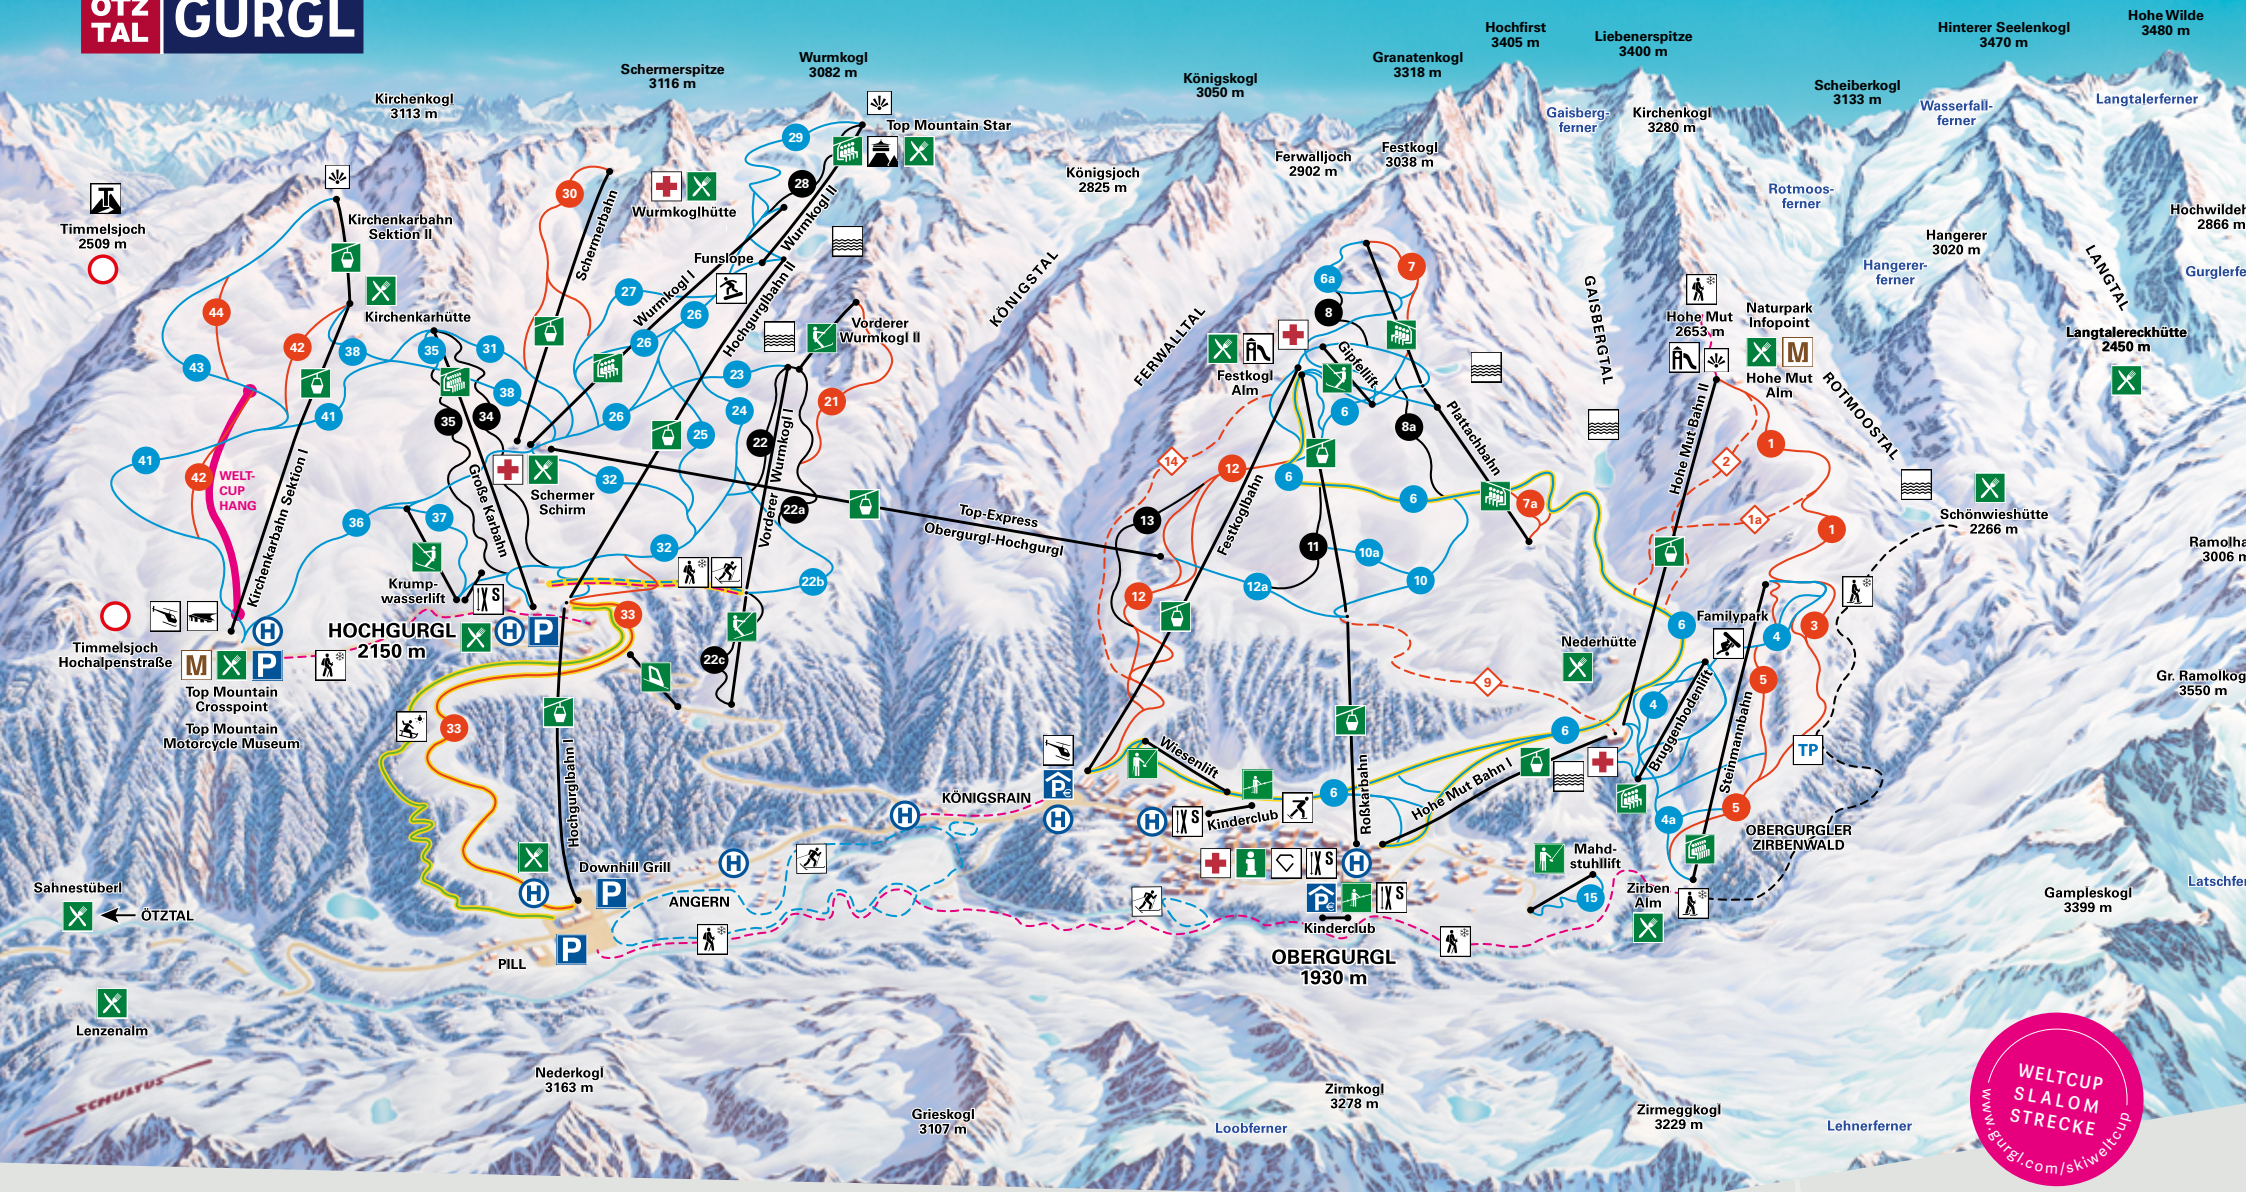

**Discounted lift tickets** (children, youths, seniors, snow kids and handicapped - 60 %) are issued on presentation of a photo ID only! We hope you will understand that our staff cannot make any exceptions! Once purchased, tickets may not be exchanged or prolonged afterwards.

For overlapping season times we charge a mixed rate. Purchasing the Key Card lift ticket you pay a single deposit of € 3.00. This deposit will be refunded if the key card is returned in a reusable condition.

No refund in case of loss of non-personalized lift tickets. Ski passes and day tickets are personal passes and therefore not transferable!
